

## **Trailblazer Foundation Launches an Exciting Opportunity!**

First, we wish to thank all our donors for your previous and continued support. Trailblazer has just received an amazing **Matching Donation Challenge** from an anonymous donor to help us reach our goal of \$50,000 by the end of the year. The challenge is that Trailblazer must receive at least 10 individual donations of \$2,500 [or above] before December 31, 2010 in order to access the match.

Because of your past generosity, the impact your donation dollars had in 2010 include:

- over 120 wells - bringing access to water to nearly 2,000 people;
- 150 bio-sand waters –giving potable drinking water to over 2,200 people;
- nearly 7,400 PUR water sachets [1 sachet purifies 10 liters of water] giving 97 families living in remote areas clean drinking water,
- 280 mosquito nets to every family of Trey Village, located near the Vietnam border, protecting them from malaria;
- 24 bicycles, as a start, to remote poor students so they can continue their education.

**Please consider giving the gift of hope and being part of changing lives.  
Any donation will help toward meeting our ultimate goal:  
Helping the Cambodian people.**

You can mail a check to PO Box 3694, Jackson, WY 83001  
or go on-line at [www.thetrailblazerfoundation.org](http://www.thetrailblazerfoundation.org)

**Thank you!**
